

Body Buffing Scrub & Body Contouring Crème

Questions & Answers

Your secret weapons in the war against orange peel skin!

If you're really serious about smoothing the appearance of your skin, try combining these products with Formula 3 Herbal Complex Tablets with Vitamin C and Iron on a daily basis. This unique vitamin formula is designed to help improve the body's fluid balance and can enhance the effects of Body Buffing Scrub and Body Contouring Crème.

Frequently Asked Questions

Should I use the products together?

For optimal results use Body Contouring Crème after Body Buffing Scrub.

How often should I use the products?

Use both products daily for best results.

How should I apply the products?

Apply Body Buffing Scrub whilst in the shower. Massage into skin in small circular motions, rinse off and gently pat dry.

Apply Body Contouring Crème to dry skin in generous amounts, immediately after your shower.

How soon can I expect to feel and see results?

Skin should feel smoother after just one application. Product testing has shown that consistent use can have visible results, including a reduction in thigh circumference.
