

Body Buffing Scrub & Body Contouring Crème

Used together, Body Buffing Scrub and Body Contouring Crème are your secret weapons in the war against orange peel skin!

These revolutionary products rely on the latest advances in skin-care technology to visibly reduce the appearance of orange peel skin on problem areas such as hips and thighs, and to help improve skin texture and tone.

This two-step advanced formula will help you look and feel great about your body in no time!

Did you know?

Product testing has shown that consistent use of Body Buffing Scrub and Body Contouring Crème for 70 days can reduce thigh circumference and help increase skin elasticity.

Body Buffing Scrub

Body Buffing Scrub with jojoba cleanses the skin and helps accelerate the natural process of exfoliation, allowing fresh, smooth skin to emerge. Use regularly in the shower to achieve softer, smoother skin.

- Softens and smoothes skin.

#0353

Body Contouring Crème

Following exfoliation, your skin can better absorb Body Contouring Crème. With ginkgo and fruit acids, this fresh smelling crème can be gently rubbed into skin morning and evening to help improve the skin's elasticity and reduce its dimpled texture.

- Helps improve skin's texture and tone, smoothing the appearance of your skin.
- Moisturises your skin.
- Ingredients include multi-acids from fruits and plants.
